**Proposal: (Please use this space to provide a description of your project. Include your thesis statement or hypothesis. Describe your research in as much detail as possible including the types of sources that you intend to use and/ or the research that you will be pursuing. Explain what your deliverables will be (e.g. research paper, creative performance, experiment, etc.). Be as descriptive as possible—this will help the vetting committees when considering your proposal.)**

**I understand that my project will be evaluated for thoroughness, clarity, validity of research, critical and creative thinking, evidence of effort, and other criteria. I also understand that completing the Honors contract does not guarantee that I will earn Honors credit for the course.**
